INTRODUCTION

We are a leading manufacturer and exporter in India established in 1984. We have state-of-the-art machines to meet zero tolerance levels for moulded rubber products, rubberising of metal spacers and engineering parts. We can manufacture any custom-moulded rubber parts to meet the customer's requirements due to our extensive experience in the custom-moulded rubber industry.

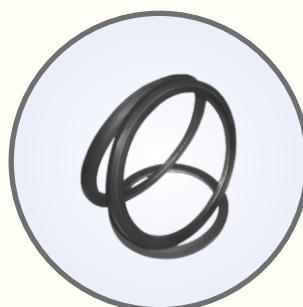

Our tool room is well-equipped with die makers who have undergone extensive training and are supported by experienced technicians to meet customers' needs. Our supply of rubber-moulded products and engineering parts is supplied to both local and global markets from Mumbai, India. The durability and reliability of our rubber products are our top priority, enabling us to cultivate a successful and long-term business relationship with our clients. We are committed to continuously exploring new ways to improve customer satisfaction. We strive to improve our quality standards in line with industry trends which benefits our clients.

We provide top-notch Teflon/PTFE components at affordable prices based on the client's drawings or specifications. Our manufacturing unit is equipped with the necessary testing facilities to produce finished parts from prototypes to production quantities. We are capable of providing solutions for even the most challenging applications due to our expertise.

Our success hinges on the loyalty and satisfaction of our clients.

ASSURANCE OF QUALITY MOULDED RUBBER PARTS

We have established, implemented, maintained and strived to continuously improve the quality management system. M/s. United Registrar of Systems, a leading registration agency worldwide has certified it in compliance with the ISO 9001:2015 certification standard.

INFRASTRUCTURE

- ◆ We have a production area of 9,000 square feet.
- ◆ We can process 100 metric tons per month.
- ◆ We have in-house laboratory and compound blending capacities to ensure the quality and timely availability of the raw materials for the first process itself.
- ◆ Our covered storage area is 3,000 square feet, providing hassle-free storage for our ready-to-pick finished orders.
- ◆ We have our own stand-alone tool room to ensure that orders are completed on time.

OUR TOOLROOM

Our in-house design team is skilled in advanced industrial software like NX CAD and PowerMill CAM allowing us to design your desired products.

OUR PRODUCTS RANGE

Float Collar

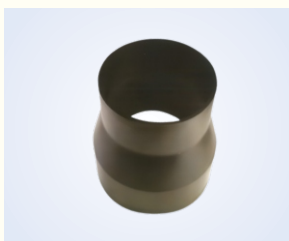

Bellows

Liner Wiper

O Rings

Reducers

Brake Chamber
Diaphragms

- 'T' Seals with or without Backup Rings.
- 'O' Rings, 'O' Rings Kits & Backup Rings from all Synthetic Rubbers & Teflon.
- Chevron Seals, 'V' Packings.
- Seals for Hammer Unions, Swivel joints & Kits for Expansion Joints.
- Inner and Outer Seals for Blow Out Preventers.
- Thread Protector Caps & Covers as per API standards.
- Seals for Wireline Equipment & Cap Liners.
- Wiper & Scrappers.
- Plunger Cups, Valve Cups, Baffles for Mud Pumps.
- Backup Rings with Glass or Graphite filling and Phosphorous Bronze filled PTFE.
- Balancing Straps.
- Shock Mounts for Shale Shakers.
- Cups for Pigging.
- Cementing Plugs and Bridge Plugs. (Non Rotational & Conventional Types).
- Diaphragms. (Rayon, Nylon, Reinforced)
- Stage Cementing Collars.
- Metal Bonded Components (Cement Retaining Seals)
- Closing Sleeves, Seals for Tie Back Mandrels.
- Oil Seal and Bonded Washers.

INDUSTRY SUPPORT

We offer three industry support points that you can utilize for mutual benefits.

1. We carry out turnkey projects in accordance with customers' requirements.
2. We can develop your products according to your specific requirements using samples.
3. Collaborating with you is a possibility for us to create new products.

INFRASTRUCTURE

We own a 9000 square feet manufacturing unit located in Vasai, 52 kilometres away from Mumbai. Our qualified staff and team members have the ability to handle daily business tasks. We also have 3000 square feet of floor space in Goregaon, Mumbai, India. It takes less than ten minutes to reach our warehouse from the national highway. Vehicle parking spots are available at our location.

FLEXIBILITY

We build mutually beneficial relationships by developing with our customers and adapting our processes to their needs.

QUALITY CONTROLS

We establish and monitor detailed performance criteria to ensure that our supplies meet high standards for our customers.

FOCUS

We prioritize our clients' needs and understand that without common goals, we cannot achieve excellence.

QUALITY CERTIFICATION

ISO 9001:2015

Certificate of Registration

This certificate has been awarded to

Sona Industries

Gala No. 3, Building No.2, Dias Industrial Estate Premises Co-Operative Society,
Sativali Naka, Vasai (East), Palghar, Maharashtra, 401208, India

in recognition of the organization's Quality Management System which complies with

ISO 9001:2015

The scope of activities covered by this certificate is defined below

**Manufacture of Rubber Moulded Product for Automobile, Engineering and Oil
Drilling Industries**

Certificate Number **137989/A/0001/UK/En**

A certificate number of 0001, confirms the Client has a single site Certified & the site is their Head Office or Main site in relation to the Certified scope with URS. A certificate number of 0002, or greater (e.g. 1000/0002/UK/En) refers to a client that has more than one site certified with URS, as such, the following statement shall apply: "The validity of this certificate depends on the validity of the main certificate."

Date of Issue of Certification Cycle	Issue Number	Certificate Expiry Date	Certification Cycle
21 September 2024	1	20 September 2027	1
Revision Date	Revision Number	Original Certificate Issue Date	Scheme Number
21 September 2024	0	21 September 2024	n/a

For detailed explanation for the data fields above, refer to <http://www.urs-holdings.com/logos-and-regulations>

Issued by

Mukesh Singh - On behalf of the Schemes Manager

If there is any doubt as to the authenticity of this certificate, please do not hesitate to contact the Head Office of the Group on info@urs-certification.com.
URS is a member of United Registrar of Systems (Holdings) Ltd, United House, 28 Poole Hill, Bournemouth, BH2 9PS, UK. Company Registration no. 5298466
